Application No.: LCC/3/83

V/s.

1. M/s. Timblo Private Limited — Opponent

Applicant represented by Shri Dionisio Fernandes, Union Leader.

Opponent represented by Shri R. V. Gaitonde, Labour Consultant.

Panaji. Dated: 13-6-1983

AWARD

This is an application under Section 33C(2) of the I.D. A. 1947, in short the Act, filed by the above applicant against the above opponent, claiming from the latter the total amount of Rs. 2,950/- by way of his salary from September 1977 till July 1982, at the rate of Rs. 50/- per month.

2. It is applicant's case that he was working for the opponent as a peon at their Head Office at Margao since 18th June 1964 and the opponent, without any reason, withheld the payment of his earned wages during the period from September 1977 till July 1982.

3. The opponent's contention is that, sometime in 1977, there was a loss of some important items from the cabin of the Chairman and, after a preliminary enquiry, the peon in question was held responsible for the missing items, worth a few thousands rupees. The applicant accepted his guilt before the Chairman and prayed for leniency and, therefore, on humani-

tarian grounds, the Chairman decided not to proceed against the applicant and settle the matter amicably. Unfortunately, the Chairman expired on 26-12-1981 and, in his absence, no one is in a position to know the exact facts leading to the case.

4. Following issues were framed by the Court:

- "1) Whether the applicant proves that he is entitled to the amounts claimed?
- 2) Whether the opponent proves that the applicant's claim beyond three years is barred by limitation?
- 3) Whether the opponent proves that the applicant has also moved in this connection the Labour Commissioner's office and proceedings are still pending there?"

5. After the issues were framed, both the parties approached the court and filed an application stating that the matter has been amicably settled between the parties and praying that a consent award be passed on the settlement terms, which accompanied the application.

6. I have perused the terms of settlement, which shall form part of this award, and arrived at the conclusion that they are just and fair to both the parties. Hence, I pass the following order:

Order

Consent Award in terms of the above settlement, which shall form part of this award, is hereby made and the matter is disposed off. No order as to costs.

Memorandum of the settlement under Sec. 2(P) read with Section 18(1) of the Industrial Disputes Act, 1947 between the Management of Messrs. Timblo Private Limited, Margao, Goa, and Shri Baban Parodkar, workman represented by Shri Dionisio Fernandes, Labour Consultant in the matter of recovery of alleged deductions amounting to Rs. 3,000/- from the workman

Names of the Parties

Representing the Management Representing the Workman

Shri M. S. Manerkar, officiating Personnel Officer, Timblo Pvt. Ltd., Margao, Goa,

The workmen in person and represented by his duly authorised representative Mr. Dionisio Fernandes, Labour Consultant.

Short recital of the case

The workman, Shri Baban Parodkar, working as a peon at the Head Office of the Management at Margao, Goa, represented to the Asst. Labour Commissioner, Govt. of Goa, Daman & Diu, Panjim, Goa, by his letter dated 24.9.82 about the alleged deductions from his monthly wages from Sep. of the year 1977 onwards till July 1982 at the rate of Rs. 50.— per month, amounting to Rs. 3,200.—. Subsequently, he moved the Hon'ble Labour Court, Panjim, Goa for recovery of the said amount under sec. 33 (c) (2) of the I.D. Act, 1947, by making his application to the Hon'ble Labour Court which was registered as application No. ILC/3 of 1983 and is pending for disposal before the Hon'ble Labour Court, Panaji, Goa.

The Management's contention is that the amount was recovered towards the cost of certain items found missing from the cupboard in the office, and the said peon alone had full access to the cupboard. He was therefore held responsible for the missing items and it was decided to recover the cost of the missing items, which was calculated to be Rs. 3,600/-, from the earnings of the said peon by deducting Rs. 50/- per month from his salary till the amount of Rs. 3,600/- was fully recovered.

The peon in question agreed to such recovery till the amount of Rs. 3,200.- was recovered over a period of 64 months and is now contesting the recovery, and therefore his claim is belated and non maintainable.

However, without prejudice to the rights and contention of both the parties, the parties continued the discussions between themselves and as a result of the bilateral talks, both the parties arrived at an amicable settlement on the terms and conditions mentioned hereinbelow.

Terms of settlement

The workman shall be paid Rs. 2,000/- in full and final settlement of his claim by instalments as indicated below:

1. Rs. 200.— shall be paid on 10th June 1983, and the remaining amount of Rs. 1,800.— will be paid in 4 equal instalments of Rs. 450.— each as under:—

1st instalment of Rs. 450.— shall be paid on or before 30th Oct. 1983.

2nd instalment of Rs. 450.— shall be paid on or before 30th Dec. 1983.

3rd instalment of Rs. 450.— shall be paid on or before 28th Feb. 1984 and the fourth and last instalment of Rs. 450.— shall be paid on or before 30th April 1984.

The parties further agreed to approach the Hon'ble Court before whom the application under Sec. 33 (c) (2) of the Industrial Disputes Act is pending for disposal, to pass an order or make an award in terms of settlement and to treat the matter as fully and finally settled once for all between the parties upon the receipt of Rs. 2,000. as indicated above. The workman shall have no claim for recovery of any amount from the Management.
